PROFILE

Creative and operations-focused professional with hands-on experience managing multiple Instagram pages and a YouTube channel, professional graphic-design experience, client communication, and software engineering. Skilled in content ideation, scripting, social media publishing, graphic creatives, video/thumbnail workflows, client requirement gathering, stakeholder coordination, reporting, and execution. Seeking to bring creative execution and strong coordination skills to a Social Media Manager role.

EXPERIENCE

Capgemini | Software Engineer

2026 – Present

- Currently working as a Software Engineer in a professional corporate environment, with experience in structured execution, collaboration, and problem-solving.

Flipkart | Executive Director – On-site Operations

Bangalore | Aug 2025 – Feb 2026

- Managed day-to-day operational workflows, performance tracking, execution, and process improvements.
- Built strong working relationships with vendors, partners, and internal stakeholders, ensuring seamless coordination.
- Conducted requirement gathering, customer interaction, and market observations to support decision-making and opportunity identification.
- Prepared operational reports and delivered clear presentations to senior leadership for strategy alignment.
- Collaborated across departments to resolve bottlenecks, optimize delivery flow, and enhance operational efficiency.

Cannibals Media | Graphic Designer & Client Coordination

Nov 2024 – Feb 2025

- Created graphic designs and visual creatives for client and marketing requirements, maintaining attention to visual quality and brand consistency.
- Handled client calls and discussions to understand requirements, clarify expectations, gather feedback, and communicate project needs to the creative team.
- Translated client requirements into clear design directions and iterated on creative deliverables based on feedback.
- Collaborated with team members to ensure creative work was aligned with client objectives and delivered effectively.

Independent Social Media & Content Work | Social Media / Content Creator

Instagram & YouTube

- Managed multiple Instagram pages, including content planning, creative preparation, publishing, and day-to-day page handling.
- Managed a YouTube channel end-to-end, including content ideation, scripting, recording, editing, thumbnails, publishing, and channel optimization.
- Developed practical experience in short-form content, visual storytelling, audience-focused content ideas, and consistent publishing.

SELECTED CREATIVE & CONTENT WORK

- Creative / Graphic Design Portfolio — Visual concepts and digital creatives for social, branding, and communication use.
- YouTube Content Portfolio — End-to-end ownership covering scripting, editing, thumbnails, publishing, and content optimization.
- Social Media Page Management — Hands-on management of multiple Instagram pages with focus on consistent content execution.
- StyleMate — AI Fashion Recommender: interactive web experience integrating Google Gemini for AI-driven recommendations.

EDUCATION

CMR Institute of Technology, Bangalore — B.E. in Computer Science and Engineering | July 2025 | CGPA: 7.73
